

Carillon ERP University  
Annual Subscription Application

Carillon ERP University is cloud-based hands-on eLearning offered by Carillon Financials Corporation hosted on Adobe Captive Prime. Users are provided with a blank Carillon ERP database and the Carillon ERP programs required to complete the course(s). The Carillon ERP software and database is licensed for educational use only. No production use is allowed. These programs can be loaded on most Windows 10 or Windows 11 workstations or laptops. It can also be loaded on a Mac using a Windows virtual machine.

**Terms and Conditions:**

- eLearning content is licensed to one named individual identified as Applicant below. Applicant agrees not to share the eLearning content with any other party, in any manner, including, but not limited to, over-the-shoulder sharing or projection of the eLearning content.
- Applicant may use the provided Carillon ERP programs and database to demonstrate the functionality of the software to other private parties in a live demo environment.
- This subscription is not transferable to another participant under any circumstances.
- This subscription is an annual license. If paid monthly, there is still an annual commitment.
- No refunds or early cancellations. Adobe Captivate Prime, where courses are hosted, requires an annual commitment.
- License to the current version of Microsoft SQL Server (some editions are free) is required.
- This agreement will automatically renew for one-year commitments at the then current price unless termination notice is provided to [LRPettit@CarillonERP.com](mailto:LRPettit@CarillonERP.com) at least three business days prior to this agreement's anniversary.
- Authorized Consultant and Certified Consultant designations are given at the sole discretion of Carillon Financials Corporation and may be withheld or withdrawn for any reason.
- The Carillon ERP software and database are provided without warranty of any kind and without support of any kind since it is for educational use only.
- Pricing (all prices in USD, for each subscription, and do not include sales tax, if applicable).
- For multiple subscriptions, please fill in and sign a form for each subscription.
- **Please check the applicable circle and circle monthly or annual payment.**
  - Single Subscription: \$99 per month or \$999 annual prepaid license
  - 2 Subscriptions Purchased at Same Time: \$89 per month or \$899 annual prepaid license
  - 3+ Subscriptions Purchased at Same Time: \$79 per month or \$799 annual prepaid license
  - Please call for collegiate and/or university pricing available to teachers and students.
